## Welcome

Welcome to the Better Cotton Tracer! This is the LIVE system.

The Better Cotton Tracer is the Better Cotton Traceability System, and is used by ginners, traders, spinners and retailers to record purchases and sales of Better Cotton.

If you need any support or encounter any technical issues with the Better Cotton Tracer, refer to the User manual available on right hand side or contact us at [support@bettercotton.org](mailto:support@bettercotton.org).

## Transactions Requiring Action

| <u>Date of declaration</u> | <u>Seller</u> | <u>Buyer</u>             | <u>Transaction reference</u> |
|----------------------------|---------------|--------------------------|------------------------------|
| 01-05-2015                 | Plexus        | Saiham Cotton Mills Ltd. | S/406715 I/712886            |
| 01-05-2015                 | Plexus        | Saiham Cotton Mills Ltd. | S/406650 I/712885 & 712976   |
